Good Afternoon

Temporary road closure – Class III (C3001) Milford Haven to Dale road, St Ishmaels

I have received a request from HT Installations Ltd for the temporary closure of a section of the class III (C3001) road, St Ishmaels; from its junction with Bicton Road, east to its junction with the unclassified (U6043) road leading to Sandy Haven.

The closure is necessary so that telecommunication work can be carried out.

The works are proposed to commence on Wednesday 9th March 2016 for five days, and in order to minimise disruption the works will be carried out between the hours of 09:30am – 15:00pm.

The alternative route for traffic will be via the C3056 towards Hasguard Cross, B4327 Haverfordwest to Dale road and class III (C3051) Dale road to its junction with the C3001 Herbrandston to Dale road.

Pedestrian access will be maintained.

I have attached a plan for your information detailing the closure and alternative route. Should you have any comments regarding the above proposal I would be grateful to receive them by Friday 19th February 2016.

Regards,

Michaela Sheppard
