

ANNUAL MEETING

13TH May 2019, Jubilee suite, Coronation Hall Dale.

Chairman's Report 2019.

Having struggled to find a permanent Clerk for most of 2018, the Councillors rallied round and enabled meetings to carry on by taking it in turns to be Clerk. As from the 1st October 2018 we now have a new Clerk.

There have been no major problems in the past year and all Community Council matters have now all been dealt with. The Year culminated with a very productive and successful maintenance /works day, The Councillors and many of the members of the village Community took part, cleaning, clearing, moving, planting, cutting, painting, and mending, and generally making the village look it's best.
